The Senior Class takes great pride in presenting the 1956 "Cardinal"

Through the past years we have known many happy days and we have tried to preserve the memories of these days in the pages of this book.

Board our magic carpet and travel with us to different places on our little earth to visit and revisit throughout the years, our glorious, bygone school days.

Dedication

To Mr. Lee A. Jones

We, who have been fortunate enough to work with him, recognize the value of his guidance in our many struggles. Because of his cheerful giving of his best to the school, to the student body and especially to the Class of '56, we sincerely dedicate this edition of the "Cardinal."

ADMINISTRATION AND FACULTY

To you, the members of the graduating class of 1956, I congratulate you on your achievement.

Edwin Markham once wrote—

"Ah, great it is to believe the dream
As we stand in youth by the starry stream;
But a greater thing is to fight life through,
And say at the end, The dream is true'."

So your achievement at this graduation time is a stepping stone in the climb through life to success and happiness. May you ever be mindful that all good and worth while things in life can be found through hard work.

My best wishes go with you.

C. L. Axtell
Supervising Principal

I wish to express to the members of the Yearbook Staff, the Senior Class, and Mr. Jones my thanks and congratulations in the publication of another Yearbook. I have watched with interest and with pride the manner in which the many people involved did their best from day to day to bring this book from the world of ideas to a printed reality.

It is my greatest wish that all of you may carry with you a feeling of love and warmth toward the school and faculty. I believe the publication of such a book will help to engender that feeling of love and loyalty.

As you read through these pages in the years to come, may you always remember that it was a wonderful privilege and experience for me to serve as your principal.

Class Prophecy

May 22, 1980.....a historic day.....a beautiful spring day, birds singing, buds budding, a glorious day.....the day on which 24 years ago, the Class of 1956 was graduated.....everything is what it will be like.....except.....YOU ARE THERE!

Divorcee Joyce Evans Ames Brackin Kelly Davenport Kahn, without a thought of this anniversary is looking out her 22nd story 5th Avenue pent house considering the task before her...finding her sixth husband. While in the same city in New York Bay, at Ellis Island, racketeer Fred "Sutton" Wagner is waiting for his re-entrance papers after being deported to Upper Mongolia ten years ago. A little to the south in the Latin Quarter, "Bubbles" Woodford and "Frenchie" Kay Peterson, are resting from their nights' work at Pat "Gams" Wood's Burlesque Theater where they sell popcorn and stale Nestles bars. Just three blocks up, Bob "BeeBee Brain" Hamilton is reporting for work as bouncer at Hovis' "Billy's Black & Blue Star." In the Bowery, Carol Harvey is peddling RD X tablets to obese hobos. Out on Long Island, Judy McMinn Beam is being dressed by her maid "Bridget" Legnosky, for a visit to her psychiatrist, Robert Bickerstaff, M.D., B.S., Ph. D., X.Y.Z. Since her husband took up with another woman, Judy has been suffering from an acute case of delerium tremors.

In Madison Square Garden, "Leadpants" Dickson and "Georgous Georgia" Schwartzbauer are being crowned King and Queen of "Diamond Jane" Klipple's Rodeo.

Meanwhile in Pittsburgh, deep in the sub-sub-basement of the Grant Building, Ray Schroer is still, after 20 years, experimenting with a 58th variety he hopes to sell to the H. J. Heintz Co.; still won't admit he's wrong. Colleen Beiter, 23 stories above is appearing on a telecast. She appears riding a camel on the Camel News Caravan and is forced to go without water for days at a time. At the Iris Hart Theater, opposite Child's Restaurant, Virginia "Mayo" Jacobs and Richard "Powell" Flickinger are rehearsing for the opening of "Which End's Up" written and directed by Cecil B. De Choffel. Diane Hoadley is hard at work as head brewmaster and chief bottle washer for the Duquesne Brewing Company. She has Bev Dahlin and Barb Danelak working (Hic) under her.

In the Post-Gazette office Ken Peterson, Society Editor is writing his column on what Duchess Gladys Bell and her Duke, Earl Gray wore at "Elsa Maxwell" Hilliard's party last night. Arlene Irwin, a helicopter pilot for the Highway Patrol, just lost her job; she took a short cut through the Liberty Tubes. C. A. Jackson and R. E. Smith are out on the town celebrating after successfully defending Louise "Nimblefingers" Norris before the Grand Jury this morning.

After a two weeks vacation, Beverly Spence resumes her duties as head of the lost and found department at Gimble's. She was responsible for the safe return of June Peterson's million dollar diamond ring (for her nose—anything to be different.) Down the alley from Gimble's, Bell, Grinnel, and Karns have a finance company (on the shady side—of the alley, that is). Their motto is "You can leave it with us 'cause we'll get it anyhow."

Elsewhere in the country—Ron "Flash" Hogue is taking pictures on West Street for the magazine he's starting. He's calling the magazine... "Hogue." Just outside Podunk, Georgia, 'Hacksaw' Coon and "Aunt Jamima" DuPont are slicing sugar cured ham and flapping corn fritters in "Mom" Vanderhoff's Hash House. "Moonshine" Patrick is wanted for ridge running in seven states (five of which have no ridges) and "Thursday" Harry and "Jace Pearson" Runkel are hot on his trail. "Digger" Reed, an undertaker, is laughing because Janet Free has jilted him. He knows she'll come back to him in the end. "Smiley" McNulty is in Chicago posing for Gleem toothpaste ads. His manager "Sharpie" Jewell, is slowly making him spend his fortune...he keeps knocking his teeth down his throat.

Anna Euch is autographing copies of her new book "The Big Bay Window" in front of "Grandma" Martin's Library for illiterates. Lt. Colonel Marion Rynd, WAC, R.A. 0796321, is stationed in Grubnek, Germany. Her job is to snoopervise fraternization activities of our servicemen stationed there.

Linda Shook Bennett is making last minute preparations with the help of her able secretary and assistant, LaRue Ferrier, to attend the Republican National Convention in Las Vegas where she is expected to be nominated for Vice president.

Everything is as it will be..... except.....YOU WERE THERE!

The Senior F. H. A. met this year during activity period on Tuesday with a larger enrollment than last year. Members worked especially hard getting the buildings at the fair grounds ready for the Cochranon Community Fair; making entries during the fair; and of course there is always the dreaded task of cleaning up afterward.

The local chapter was represented at the Northwestern Pennsylvania Livestock Show when Carol Wheeling competed with other contestants of the district for

the title of Livestock Queen. The club voted to send two representatives along with Carol, which were Louise Hitchcock and Norma Babbitt.

In the fall we had a "Hobo Hop" which was a lot of fun for everyone, but still added money to our treasury. We also sold F. H. A. Cook Books, giving the favorite recipes of the club members of Pennsylvania.

Plans are in the making for a joint F. H. A. and F. F. A. Party, a banquet, and State Farm Show attendance.

Future Farmers of America

The FUTURE FARMERS of AMERICA is an organization which reaches from the state of Maine to Hawaii and from Washington to Puerto Rico. In this organization, we practice brotherhood and develop those qualities of leadership which every farm boy should possess.

The Cochran Chapter is one of the many thousands of chapters in the United States. Our officers are as follows: President, Bob Bickerstaff; Vice-President, Carl Buchanan; Secretary, Bob Hamilton; Treasurer, Russell Bell; Sentinel, Dick Grinnell; Reporter, Raymond Coon; Advisor, Mr. William McCullough.

The outstanding boy for this year was Carl Buchanan, our vice-president. Carl has had a very good project program started and has done a very outstanding amount of work for the chapter. He has won many ribbons, mostly blue, on his Brown Swiss calves and heifers, as well as

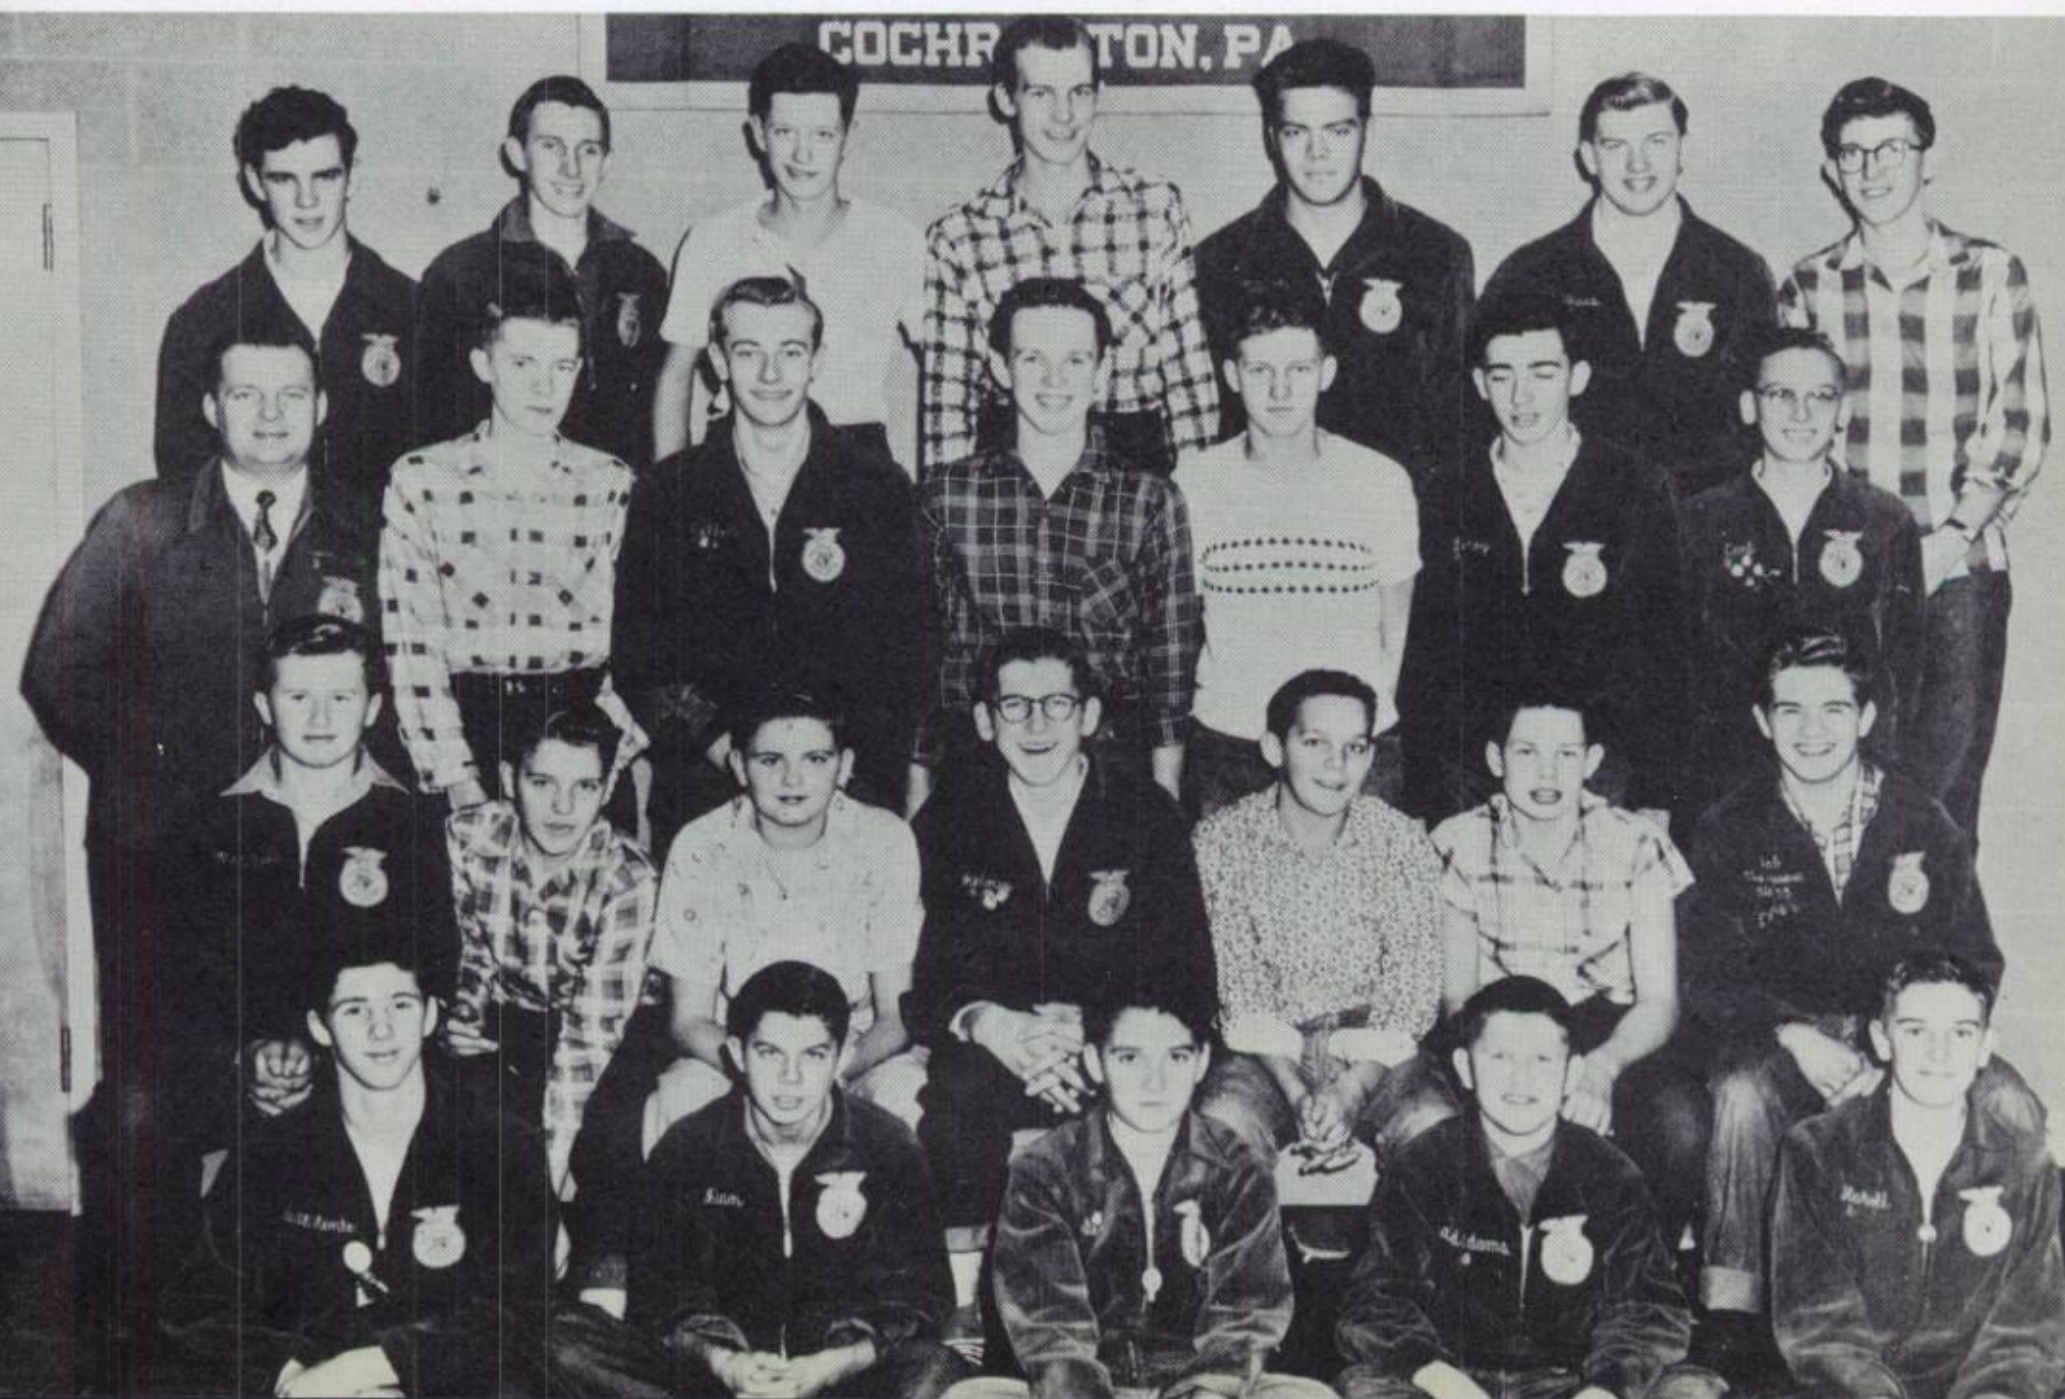

on his project books. Carl has taken many trips such as Harrisburg trip, paid by the chapter; Hershey trip, paid by Pennsylvania Association of Farm Cooperatives; trip to Purdue, also paid by P. A. F. C.; trip to Kansas City, at his own expense. Carl will make a fine citizen and farmer.

Keystone Farmers this year were Bob Bickerstaff and Art Runkel. Bob also won Northwestern Regional Star Farmer Award and Outstanding Junior Guernsey Breeder Award.

The Chapter won top award in Cooperative Contest and sent two representatives to Purdue University with the advisor.

Junior Chorus

Because the Junior Chorus is composed of Junior High students, its importance is often overlooked. The main purpose of the Junior Chorus is to train members for the Senior High group.

The Junior Chorus sang for the Christmas Program and added to it very much. From the size and ability of the group, we can hope for bigger and better Senior Choruses in the future.
